**DSB Inflatable General Purpose Workboats are**

- **Robust**
  - **Durable**
    - **Reliable**
      - **Versatile**
        - **& Safe**

DSB 380 GP

DSB 530 GP

The DSB General Purpose Workboats were developed for use by the armed forces, disaster control organisations and commercial shipping companies, and so meet the most exacting demands.

Their robustness, durability, reliability, and versatility coupled with a design that seeks to provide a safe boat even in the most adverse conditions make this a boat suitable for many roles.

- Workboat
- Safety Boat
- Diving
- Water-skiing
- Fishing
- Touring
- Tender
- Assault Boat
